Professional German lessons anywhere in the world

-  Learn the German you need when and where you want with teachers who are professional native speakers.
-  We offer individual and flexible German lessons using internet telephones and video conferencing at no extra cost to you.
-  All you need is a computer with a microphone, and an internet connection. A webcam is optional.
-  Another advantage of using Skype: Not only the program is free, but so are calls to other Skype phones.

Concept

- Lesson content is geared toward exactly what you need
- You decide how, when and what you want to learn
- You will practice what you learn immediately in role plays and realistic situations
- Grammar will be explained clearly
- Your pronunciation will be corrected systematically
- You will receive feedback on the homework you send your tutor
- You will get valuable learning tips and links for further study
- You can prepare for a specific situation, such as an interview, or work on your German over the long term
- We will test your language level before your course begins. You and your tutor will arrange lesson times and together you can set your personal learning goals
- At the end of the course you will take a test and receive the Kästner Kolleg certificate of completion
